La capital no entiende de tópicos. Descubre sus rincones más insospechados con un castizo top de lunares de Saint Laurent y unos pendientes de concha con zafiros de Marquise. El lado latino (aunque cosmopolita) del look se potencia con sombras marrones: "Dan intensidad a la mirada a la vez que mantienen un aspecto fresco", señala Kley. Para un efecto monocromático, un toque en los labios con el mismo producto de la piel y colorete Baby Doll Kiss and Blush de Yves Saint Laurent Beauté.
